# wooden box

The image shows three rectangular wooden boxes stacked on top of each other. The boxes are made of light-colored wood with a visible grain. The top box is the smallest, the middle one is medium-sized, and the bottom one is the largest. The focus is sharp on the middle box, showing the texture of the wood and the way the panels are joined. The background is a plain, light color, making the boxes stand out. The text 'wooden box' is centered in the upper right area of the image.
